

Dear Don Carlisle,

Here is something I would like you to know... Just how much we absolutely love and adore our beautiful Carlisle Wide Plank Floors! From our initial phone call answered by a warm, friendly and enthusiastic representative, to our introduction to wonderful Gary Ryer-with all of his knowledge, patience and yet more enthusiasm, to ordering, getting the call that it was being shipped, to the expert delivery and last but not least... the installation done by my husband. Everything is SUPERB, the wood magnificent the stain and tung oils - the very best ever! We look at it in awe! We still can't believe it! You are the very best and anyone who doubts that are Fools!
Thank you, thank you for an unforgettable experience!

Sincerely Yours
