

Dear Don Carlisle,
Here is something I would like you to know...

Our wide plank floors are the centerpiece of our new home - we absolutely love them! Kudos to your advertising manager. We were sealed in easily due to them and are thankful! Your staff was always professional and did not hesitate to be prompt when our order was wrong. That is a company that is strong - a company I would recommend. Thank you for making our home beautiful!

- Erin Shaffer

Sincerely Yours,
