### FREQUENTLY ASKED QUESTIONS

- Will my stair accessories be prefinished or unfinished?  
Carlisle offers prefinished and unfinished accessories, depending on the final floor design. Speak with your Wide Plank Specialist about availability based on the floor you have selected.
- What is the lead time?  
Like our floors, stair accessories are made to order. Lead times can vary from 3-8 weeks depending on the order requirements.
- Can my stair accessories ship before/after my flooring order?  
Carlisle can place a separate order for accessories to arrive when and as needed. You will be responsible for any additional shipping costs.
- Can I order "rough stock"?  
In some cases customers prefer to order rough stock, to make stair treads on site, or through a local stair or millwork company. Carlisle can provide rough stock as needed.
- Can I get custom stair accessories?  
Carlisle can provide custom stair treads, risers and nosing to meet your project requirements. We may request architectural drawings to verify order requirements, and can work with you, your architect or builder to verify specifications.
